SPECIAL FILMING CONDITIONS

HANCOCK PARK

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmLA), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

- **FilmLA will evaluate all requests for permits in this area using the following criteria:** Frequency of filming per block near the requested location and parking areas – Duration and frequency of recent filming – Proximity of concurrent filming activities – Historical use – Recent problems or complaints – Number of filming days requested – Company size – Proposed activities (effects, excessive noise, cranes, etc.) – any other criteria that may be relevant to the specific situation. **NO PERMITS FOR THIS AREA SHOULD BE ASSUMED TO BE AVAILABLE WITHOUT THE ABOVE REVIEW.**
- The Permit Authority will exercise additional oversight in the review and evaluation of historically filmed areas to provide balance between the community and the industry. Evaluation may include counting any substantial prepping and striking activities as part of filming frequency and additional outreach and coordination with productions that would like to establish this area as a "reoccurring location". Recurring locations are defined as filming at an address or block multiple times over the course of the timeline of the production. Filming at a recurring location requires significant support of affected residents via the community survey process.
- Survey forms will include a complete description of all filming activities, specify dates and arrival and departure times, areas intended for equipment parking (whether posting is requested or not), and any other filming details that are relevant to the situation. Surveys should be obtained from all residences within 300 feet of filming activities and/or within 200 feet of equipment parking. Surveys are only valid and counted if signed by the homeowner or current lessee/tenant, which the homeowner or current lessee/tenant must attest to on the survey form. **The production company is responsible for submitting the required surveys and corresponding map to FilmLA at least 24 hours in advance of the first day of filming. This will provide necessary time to review the material and communicate to the production company the status of their request.**
- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** Permit request must be submitted to FilmLA at least three (3) days in advance.
- **Filming in Hancock Park (bounded by Highland Avenue, Melrose Avenue, Wilshire Boulevard and Rossmore Avenue) requires that notification be given to the representative of that Homeowners' Association.** The current contact is Erik Storey contacterikstorey@gmail.com (213) 500-8190.
- **Weekend and holiday filming is generally prohibited, unless significant support is obtained via the community survey process from affected residents.**
- **A FilmLA Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
- **Personal vehicles of cast/crew are not permitted to park on area streets.** Off-site parking must be arranged by the production company and cast/crew must be shuttled to and from the location.

- **Parking of production equipment is limited to one side of the street.** Film company vehicles shall not interfere with gardeners' activities, safe use of the streets or access to resident driveways, unless approved by the affected residents. On trash pickup days the production company will ensure all trash cans are accessible by refuse personnel. **If trash pickup is missed the production company must make arrangements to have trash picked up within 48 hours.**
- **The following areas of Hancock Park will be excluded from any production posting/parking during normal school hours due to identified student drop off and pickups areas for Hancock Park schools as well as schools outside of the neighborhood that offer bus service. The affected streets are:**
    - **Both sides of 2nd Street between June Street and Las Palmas Avenue**
    - **Both side of 2nd Street from Las Palmas Avenue going west for 150'**
    - **Both sides of June Street from 2nd Street going south for 500 feet**
    - **Both sides of June Street from Beverly Boulevard going north 250 feet**

    These pick up and drop areas are for the following schools: John Burroughs Middle School, Marlborough School, Samuel A. Fryer Yavenh Hebrew School, Third Street Elementary School, Archer School for Girls, Brentwood School, Buckley School, Oakwood School, Campbell Hall School, Harvard-Westlake School and Wildwood School.

    Posting/parking may be allowed during weekends, holidays or any other times when school is not in session.
- **The standard residential requirement prohibiting arrival before 7:00 a.m. and departure after 10:00 p.m., Monday through Friday, must be strictly adhered to.** An extension of the standard filming hours requires significant support from affected residents via the community survey process and the approved hours and days but must be specifically indicated on the permit.
- **Sidewalks must be kept clear at all times.**
- **Craft service set ups, food preparation tables and dining tables are prohibited on sidewalks or parkways and must be out of public view.**
- **Generator(s) with the proper noise shield shall only be parked in front of the location house, or in front of houses that have approved this activity.**
- Cast and crew shall be informed of the provisions of the **Filmmakers' Code of Professional Responsibility.**

SPECIAL CONDITIONS FOR LOCATION FILMING IN DOWNTOWN LOS ANGELES
(Standard Filming Requirements continue to apply where not superseded below)

1. DEFINITION OF TERMS

a. Downtown Los Angeles, for the purposes of these conditions, shall be defined as the area North to South from the 101 Freeway to the 10 Freeway; East to West from the Los Angeles River to the 110 Freeway.

b. The Downtown Los Angeles Neighborhood Council boundaries (**DLANC boundaries**), for the purpose of these conditions, shall be defined as bordered on the North and East at the 101 Freeway from the 110 Freeway east to Los Angeles Street, south to 4th Street, east to Alameda Street, south to 7th Street, east to the Los Angeles River; on the South by the 10 Freeway from the 110 Freeway to the Los Angeles River; on the West by 110 Freeway from the 10 Freeway to the 101 Freeway. (This area is the same area as defined above as Downtown Los Angeles, but excludes the Little Tokyo and Arts District neighborhoods.)

c. Residential buildings shall be defined as any building with legal residential occupants (mixed-use, adaptive reuse, artist-in-residence (A.I.R.), SROs, residential hotels, condominiums and apartment buildings). DLANC will maintain an accurate and contemporary listing of all residential buildings showing a 100-foot radius from each building so as to identify any areas both inside and outside of that radius.

d. The Broadway Entertainment District (aka Broadway Theatre District), for the purposes of these Conditions, shall be defined north to south as Broadway from 3rd Street to Olympic Boulevard, and east to west from Frank Court to Lindley Place (aka St. Vincent Alley Court), or the equivalent mid-block point to either of these alleys where the alley is not present, including any theater loading facilities, defined as any public or private surface parking lot, parking garage, public street or curb area adjacent to, or utilized by, a theater. If, in the future, the City adopts an ordinance with regulations governing filming in this area, such regulations shall supersede these Filming Conditions.

e. The Old Bank District residential overlay, for the purposes of these Conditions, shall be defined as the area bound by South Spring St., West 5th St., West 4th St., and Werdin Pl.

2. FILMING STANDARD HOURS AND DAYS

a. Filming activity, or any production-related activity including but not limited to activities such as base camps, catering, generators, etc., within the **DLANC boundaries** is restricted to the hours of 6:00 a.m. to 11:00 p.m. within a 100-foot radius of any residential building. Filming activity in the **Broadway Entertainment District** is restricted to the hours of 6:00 a.m. to Midnight within a 50-foot radius of any residential building. **Old Bank District** is restricted to the hours of 7:00 a.m. to 10:00 p.m. within a 100-foot radius of any residential building**.** No extension of the standard filming hours for

NOT A PERMIT

filming or any disruptive production-related activity shall be allowed until a signature survey has been properly submitted. Proof of signature surveys shall be made available to DLANC upon request.

b. No film permits may be issued along Main and Spring Streets from 2nd to 9th Streets, or on any block of 2nd through 9th Streets between Los Angeles and Spring during the Downtown Art Walk, currently held on the second Thursday of each month. Filming inside of private buildings or entirely on private property during this time is permitted so long as there are no external impacts.

c. No filming may be conducted in close proximity to major public events anywhere in Downtown Los Angeles as permitted by the LAPD, or identified with 30 days notice to the City's Designated Film Permit Contractor by DLANC. Film permits may be considered in light of major public events on a case-by-case basis so long as their issuance will not cause further disruption to Downtown businesses and residents during such events.

3. RESIDENTIAL AND MERCHANT PROTECTIONS IN THE DLANC BOUNDARIES

a. A film permit may include no more than 300 feet of curb lane per city block for the parking of film production vehicles, crew or equipment. Requests for additional amounts of curb lane shall require a signature survey. The **Broadway Entertainment District** is exempt from this restriction.

b. Production personnel (and equipment utilized by the production company) shall not block the sidewalk area in front of an open commercial business or a residential building, including residential patios, windows, doorways, or entryways, unless the production company has secured the permission of the merchant and/or property owner. Where the commercial business is one that is primarily open in the evening and nighttime hours, the production company, their cast and crew may not block the access to and signage of such establishment (as seen from the street), without permission of the merchant and/or property owner during the hours of operation of the business.

c. Customers, employees, residents, and guests of affected properties shall be allowed free ingress/egress to all buildings, merchants, and parking facilities. Arrangements shall be made to ensure access to deliveries, trash pickup, residential move-in/move-out, and vendor access to the properties/merchants during productions.

d. All commercial businesses must prominently post hours of operation and contact phone numbers, and residential buildings must have a designated contact person authorized to give permission. Special events held by commercial businesses, outside of normal business hours, must also be posted in advance, and production companies must provide full access and visibility during such events.

NOT A PERMIT

4. NOISE, FUMES, AND LIGHTING WITHIN THE DLANC BOUNDARIES

a. Generators, portable toilets or toilet vehicles, and outdoor food preparation using charcoal or gas grills must be a minimum of 50 feet (horizontally) from any residential window or entrance. If it is physically impossible for a generator to be a minimum of 50 feet from residential windows or entrances, the generator shall be placed as far away as possible and vented away from residential windows and entrances. However, under no circumstances shall a generator be placed directly underneath a residential window.

b. Film productions must focus lighting on the filming area only and make every effort to shield the lighting from adjacent properties, pedestrians, and patrons of commercial businesses at all times. Exceptional lighting (e.g., Musco and Bebee lighting) outside of regular filming hours shall not be allowed without a signature survey of the affected merchants and/or property owners. **Signature survey shall be required for Exceptional lighting within the Old Bank District between the hours of 6:00 p.m. and 6:00 a.m.** Under no circumstances shall lighting be directed onto oncoming traffic.

c. Film production companies are required to completely remove all trash, food, and cardboard boxes, etc. from the general vicinity at the end of each filming day. Film production companies will be held responsible for the actions of catering companies they employ to provide food for the cast and crew.

5. SPECIAL REQUESTS AND EXCEPTIONS REVIEW AND NOTIFICATION WITHIN THE DLANC BOUNDARIES

a. Helicopters shall not be granted permits for landing at non-certified helipads before and after approved filming hours. All aerial filming productions must provide upon request a copy of an approved FAA Form 7711-2, or other official waiver, along with a copy of the briefing on the flight operations for all participating persons or property.

b. No film permit shall be construed as a waiver of 14 CFR § 91.119, 14 CFR § 91.515(a) or 14 CFR § 91.303(e), dictating federal flight altitude regulations, for purposes of non-participating persons or property (see attachment).

c. Notification beyond the standard 500-foot radius will be made to affected residents and merchants for high impact activity that is likely to cause interference with adjacent properties of people such as car chases, simulated gun fire, explosions, screams for help and other loud noises, helicopter activity, road closures or other such exceptional activities that might cause a police response to the filming location. High impact filming activity must be preceded by notifications at least two days in advance. The City's Designated Film Permit Contractor or the production company shall consult a designated DLANC representative when an applicant requests a permit for high impact filming activity with less than two days notice.

d. Due to the location of building air intake systems on Lower Grand Avenue, no special effects, including smoke, steam or fog, may occur in that area without first obtaining

NOT A PERMIT

clearance from the appropriate building contacts and maintenance engineers. Contact must be made at least 48 hours prior to the proposed effect(s).

6. FILMING-RELATED CONGESTION WITHIN THE DLANC BOUNDARIES

a. The City's Designated Film Permit Contractor will ensure that the impact from filming at recurrently used locations is minimized to the affected residents and businesses.

b. In rush hour restricted lanes, as designated by LADOT, no Intermittent Traffic Control (ITC) shall be permitted during Rush Hours (7:00 a.m. – 9:00 a.m. and 4:00 p.m. – 7:00 p.m., Monday through Friday). No simultaneous closures or ITC of both the Second and Third Street Tunnels will be permitted.

c. Production companies shall request the posting of "no parking" signs, lane or street closures with LADOT for the day(s) that they are "on site" only. When closures are not necessary for the day(s) requested, production companies shall report the changes to the City's Designated Film Permit Contractor, who shall notify LADOT, who must revise and/or remove parking signs, as necessary.

d. Production companies must provide adequate detour and directional signage when street closures are in place, conforming to current LADOT standards and practices. Detour routes must accommodate large, semi and tractor trailer trucks and public transit vehicles.

7. ENFORCEMENT OF CONDITIONS

a. In accordance with the terms of their work permit issued from LAPD, off-duty or retired police officers must, upon reporting to a work site, review and ensure compliance with conditions outlined on the filming permit. Officers shall ensure compliance with arrival and departure time, and shall not allow any activity or conduct that is in violation of local or state law, nor allow any filming condition that is not authorized by the permit. Variations from the requirements of the permit are not allowed unless approved by an authorized representative of the City's Designated Film Permit Contractor.

CONDITIONS FOR USE OF PARKING LOTS FOR FILMINGS, PHOTOSHOOTS, AND BASECAMPS IN THE CITY OF SANTA MONICA

****These conditions only apply to production companies approved to use City-owned lots and do not imply permission to use any City lot****

1. Available Lots:
    a. The ONLY lots available for rental are Beach Lots 4 and 5 South, and Beach Lots 1 North through 8 North. There are no exceptions. Requested parking lot(s) must be clearly stated in the base camp/crew parking portion of your Film LA. permit. Applying for a Film L.A permit does not guarantee use of the parking lots. The City of Santa Monica Parking Department has final authorization regarding use of the parking lots. A parking application must be submitted to the Parking Department in addition to the submittal of the Film L.A permit.

2. Space Availability:
    a. The amount of spaces available for purchase can vary depending on the time of year. As a starting point, no production company may rent out more than half the available spaces of any lot. During certain times of the year (i.e. spring break, summer, any other special events, etc.), additional restrictions will apply regarding space availability, if any.

3. Restrictions:
    a. The production company can only use the spaces that have been purchased and reserved for them.
    b. Parking must be finalized no later than 72 business hours before the production date. There will be no adding of spaces after that time or on the day of filming.
    c. The RESERVED area will be set up the night before by the parking operator, usually at 10pm. There is no guarantee that there will be not be any vehicles already parked in the RESERVED area by the shoot date. It is the production company's responsibility to ensure no other vehicles park in the RESERVED area upon possession of the space. The City merely sells the spaces and sections it off.
    d. At no time can the production company extend the basecamp or deny transient parkers access to the parking lot.

4. Basecamps/Reserved Parking:
    a. Production companies must park all vehicles and materials/equipment within their RESERVED event space. Any vehicles parked outside the event space will need to show proof of payment of the Daily parking rate for that individual vehicle or become subject to citation.

NOT A PERMIT

b. Depending on the size and location of the RESERVED area, production companies may be required to pay for any parking spaces used to divert traffic around the RESERVED area. This is to prevent traffic from driving through the RESERVED area and to keep the traffic flowing smoothly within the lot. These spaces are also procured at the RESERVED rate of 3x the Daily rate.

5. Unreserved Parking:
   a. Production companies may purchase UNRESERVED parking for vehicles they wish to park outside their event space. The UNRESERVED parking is the Daily rate of the lot for that specific date and will allow the parker to stay past sunset.
   b. UNRESERVED parking is for the parking of vehicles ONLY. The production company may not use UNRESERVED parking for setting up any basecamp activities such as tents, chairs, wardrobe, generators, storing of materials, etc.
   c. The purchase of UNRESERVED permits requires the production company to pick up the permits from the City parking office, however, payment is still made directly to Film LA.
   d. The UNRESERVED parking permit must be displayed in the vehicle upon entering the lot and must be displayed in the vehicle at all times. Failure to display the permit is subject to citation. UNRESERVED parking is on a first-come, first-serve basis and does not guarantee a parking space in the lot.

6. Pay-Upon-Entry:
   a. Production companies also have the option to Pay-upon-entry at any City facility. This is only for productions that do not need any basecamp or RESERVED parking.
   b. Paying-upon-entry is for productions that wish to have all their vehicles pay at the cashier booth or pay machine upon entering the lot on the day of production.
   c. Production companies are prohibited from purchasing extra spaces to set up any basecamp activity. Paying-upon-entry is simply parking a vehicle and then leaving the lot.
   d. Production companies may inquire with the City of Santa Monica to confirm which City facilities are available for Pay-upon-entry.

7. Cancellation Policy:
   a. Cancellations for RESERVED parking and UNRESERVED parking must be made more than 48 business hours of production date. Cancellations made within this time period will be honored at no cost to the production company.
